

Monsoon Emergency Kit List

A simple checklist to stay safe through Arizona's monsoon season.

Arizona's monsoon (June 15–Sept 30) brings flooding, dust storms and outages. Keep this kit ready.

Water & Food

- Drinking water — 1 gallon per person per day, several days
- Non-perishable food for several days
- Manual can opener

Power & Light

- Flashlights and spare batteries
- Battery or hand-crank radio
- Charged phone power bank

Safety & Documents

- First aid kit
- Important documents in a waterproof bag
- Some cash on hand
- Sandbags for flood-prone spots

Before a Storm

- Secure or bring in loose outdoor items
- Fill your vehicle's fuel tank
- Know a route home that avoids washes
- Charge devices when skies look threatening

During a Storm — Remember

- Turn Around, Don't Drown — never drive into a flooded wash
- Pull Aside, Stay Alive — in a dust storm, pull fully off the road, stop, lights off
